The University of Alabama – Community Music School

Summer String Camp: June 25 – 29

THREE CAMP OPTIONS:

Beginning Violin Class - String Orchestra - Mentor / Chamber

Join us at The Alberta School of Performing Arts for Summer String Camp. We have an option for students who are new to violin; students who have a year+ experience on violin, viola, cello, or bass; and advanced musicians who are seeking a mentor opportunity and enjoy chamber music. The week culminates with a Friday 4:00 pm performance by the Summer Strings Orchestra and Mentor Chamber Groups. Registration is open to elementary – high school students. Students in the String Orchestra component must be able to read music on all four strings and play in several keys. Experience with shifting and playing outside of first position is a plus, but not necessary. Teacher recommendation is not required for beginning violin class students. **Deposit deadline of July 15**.
